

Standing Order Mandate

Thank you for choosing to support the hospice in this way.

The following interesting facts about Katharine House Hospice show just how vital your **ROCK SOLID** support is to us.

1. Katharine House Hospice provides a wide range of services, and they are all provided free of charge.
2. The costs of caring currently outweigh our income.
3. We receive only 25% statutory funding and rely almost entirely on donations.
4. It costs £200 for an hour of hospice care, that's £3.50 a minute and £1.72 million a year.
5. It costs £1700 to run the inpatient unit for a day and £700 to provide one day of our day care services.

Please do not forget to tick the gift aid box if you are a tax payer (either income or capital gains tax), and you can raise even more funds for the hospice at no extra cost!
